

Dave Blake

Assistant Vice President and Chief Human Resources Officer
Oregon State University

I'm a work in progress. I am far from perfect. I'm a veteran of the United States Air Force. I have a wonderful life, and I am truly blessed. I assume good intentions. I am scared at times (no, really scared) and worry for what the future holds. I have a bad a tattoo. I LOVE TRAINS — they remind me of a simpler life. My wife and kids are everything to me. My kids constantly amaze me. They educate me as to what is possible and bring out the fun in me. They challenge me to be a better person, and I love that. I want to be remembered as someone whose life made a difference to others.

I fight for the weird kids, the quiet kids, the people who don't have many friends. I know what it's like to feel alone, and I do my best to help the people I meet not feel the same. I make it clear to those who know me that they can contact me anytime, even if they just need someone to vent to.
