I love life! It energizes me and fuels me. I believe that, despite all the negativity surrounding us, there is always a reason to celebrate. We will always find what we are looking for, whether negative or positive. I acknowledge the negative, but I focus on the positive. I truly believe that happiness is a choice. It's a decision, when we commit to it, nothing can bring us down. There is beauty in everything, we just have to find it.
